Statement of CPNI Procedures and Compliance

Nationwide Professional Teleservices, LLC ("NPT") does not use or permit access to CPNI to market any telecommunications or non-telecommunications services. NPT has trained its personnel not to use CPNI for marketing purposes. Should NPT elect to use CPNI in future marketing efforts, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

NPT has instituted training procedures and a corresponding disciplinary process to ensure that its personnel understand and comply with restrictions regarding the use and disclosure of, and access to, CPNI. Requests for CPNI by law enforcement agencies are only granted if a subpoena is provided or if the customer provides written permission.

NPT maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI.

NPT communications records are stored in a proprietary database format in secure facility and this data is only processed by software for billing statements according to the original switch design. No NPT employee or agent has physical access to this data.
